PHILLIP RATLIFF ANDERSON

Epsilon Club (2), Secretary (1); Key Club (1); Monogram Club (2), President (1); Prefect (1); Var. Football (2), Co-Captain (1); Var. Westling (2), Co-Captain (1); Var. Track (2).

After spending an afternoon on the football field, Phil can usually be found chasing speeders, red light runners, or tunnel patrons. When he is not acting as traffic cop, he can usually be found at a Norfolk Catholic football game — scouting, I think.

Back at N.A. Phil participates in many clubs and activities. He is secretary of the Epsilon Club and a member of the Key Club. He is an excellent athlete and has lettered twice in both football and wrestling, serving as co-captain on both teams. Phil is President of the Monogram Club and commands a great deal of respect among his fellow students.

Phil plans to study engineering at some Virginia school, but wherever he goes, his outstanding personality will win the respect and friendship of all around him.

ERIE HARRIS AUSTIN, III

Student Council (2), President (1); Honor Court (2), President (1); Key Club (3), Sec.-Treas. (1); Monogram Club (4); Ars Medica (3); Epsilon Club (3); Var. Football (3), Co-Captain (1); Var. Soccer (4), Co-Captain (1); Var. Track (4).

Perhaps no student in this year's class has established such an enviable record as Erle Austin has. Since Erle entered the school in the ninth grade, his vibrant personality and burning enthusiasm for responsibility and competition have carried him to virtually every position where these leadership qualities could be brought to full use. Among Erle's many other attributes is his ability to get along with others; throughout the years we have spent with Erle, who can remember a time when he wasn't in the midst of friends?

As a member of the oft-tardy Beach Bombers, Erle's skills as a driver were displayed while his subtlety was cultivated by the intellectually stimulating Yeti Club.

When Erle leaves the Academy, the school will lose one of its greatest leaders. We are sure that he will be a success in any walk of life he enters.

DONALD CHARLES BESKIN

The Belfry Staff (3), Business Editor (1); Business Staff of *Annual* (5), Business Manager (2); Varsity Tennis (3).

Businessman of the class of '66, Don Beskin has probably done more than any other student to raise money for school functions. Sporting an unprecedented five years' experience on the Business Staff of the *Annual*, he has been responsible for getting many of the ads which support the *Annual*. Doubling this year as Business Manager of both the *Annual* and the *Belfry*, he can often be seen leaving school early to drum up business (among other reasons).

Don has also made his mark on Varsity Tennis, which he has played for three years. A frequenter of Belfry Room bull sessions, he is known for his lively conversation and friendly wit. With his background of experience, Don will undoubtedly be successful in the future.

BRUCE BOWDEN, JR.

Ars Medica (3); Art Club (1); French Newspaper (1); Var. Track (3); Var. Soccer (2); Var. Football (2).

Screeching into the Academy driveway comes a white Valiant with Graham Hill Bowden at the wheel. After maneuvering it into its special parking place with one hand, Chip hops out and makes the two-second dash to chapel.

Aside from his vast (?) knowledge of cars, Chip is known for his ready and pungent wit. Many times does he come up with the prize remark which will put someone in his place.

In matters of the fairer sex, Chip is very selective; he chooses carefully and shoots for the top. Chip is a contributor to many phases of school life other than Senior Study Hall. He participates in football and soccer and runs (?) track.

Chip, with his quick sense of humor and warm personality, will surely be a success anywhere he goes.

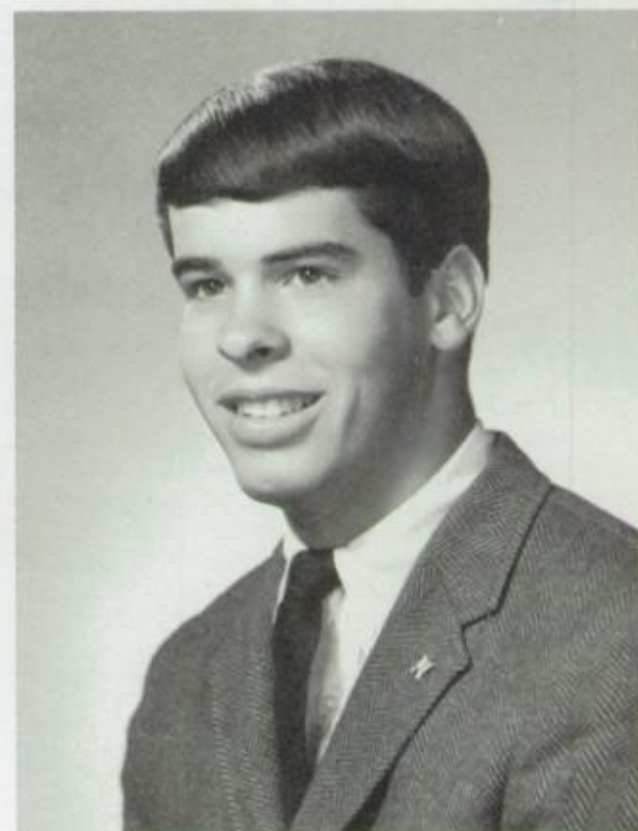

WELDON ADAIR BRADSHAW

Key Club (3); Monogram Club (2); Student Council (3); Honor Court (1); Prefect (1); *Orange and White* staff (2), Managing Editor (1); *The Belfry* Staff (2); Var. Cross-Country (1); Var. Track (4); Var. Football (1); Var. Basketball (1).

After lunch each day, the student body rests uneasily in fervid anticipation of the one signal that means that all is calm in the Senior Study Hall. Finally, a long vibrating "Pluuuuuuke" is heard echoing over the boundaries of N.A. and the world is at ease, for Weldon Bradshaw has been properly nourished.

Weldon, in his seven years at the Academy, has contributed greatly to the class and to the school. From detailed Neptune game reports to three years on the Student Council and Editor-in-Chief of the *Orange and White*, Weldon has given much to all of us, and his legendary organization is a habit any future senior will do well to inherit.

Athletically, Weldon has been a member of the track squad for four years and has also participated in football, cross-country and basketball. He is also a fine student who can often be found bettering himself at the ODC library or at High's. We are sure that Weldon will go on to success in the college of his choice.

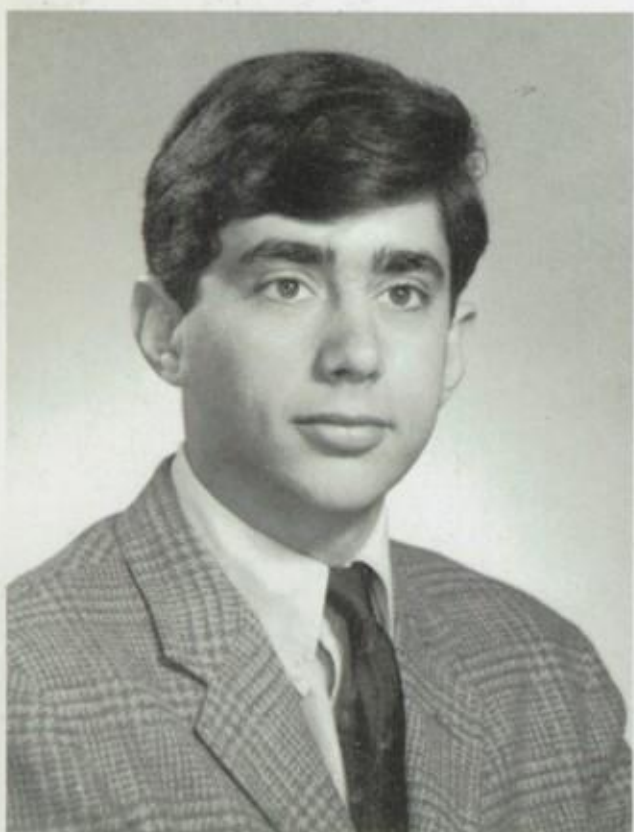

ROBERT OWEN COLLECTOR

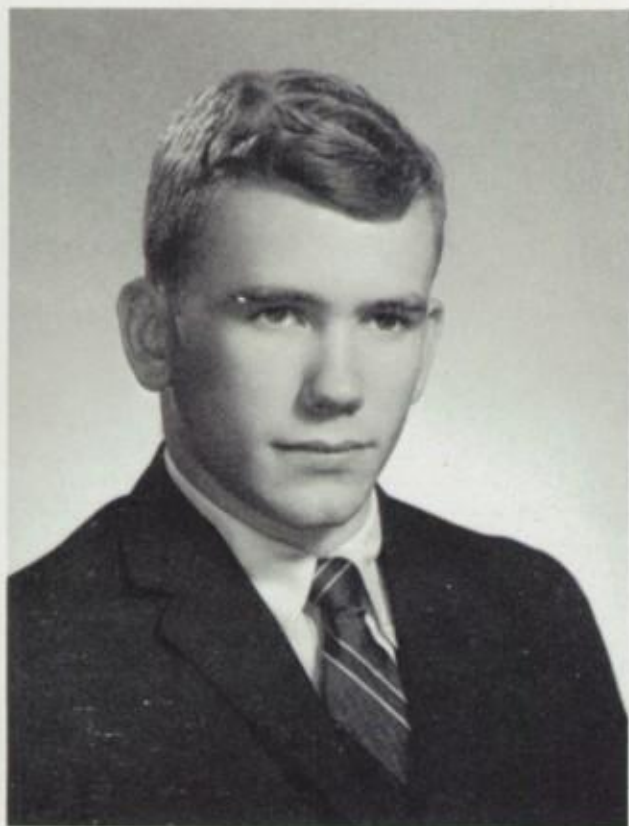

Monogram Club (2); Student Council (3); Honor Court (1); Art Club (1); Debate Team (2), President (1); *Orange and White* (2), Class Editor (1); Var. Baseball (3); Var. Football (1); Var. Basketball (2); Var. Cross-Country (1).

Every morning around 8:40 a mysterious rumble can be heard coming down Granby Street in the direction of the Academy. The mystery is soon solved when a brown 1954 Chevrolet rambles unsteadily down the driveway and stops in the nearest parking place. Out jumps Bob Collector, complaining that he has only been awake since 8:30 and is not completely awake yet.

Bob has been a definite asset to the Academy in the six years he has been here. He has served as a class officer on the Student Council for three years and has been in the Monogram Club for two years. Bob is currently President of the Debate Club and is also Senior Class Editor of the *Orange and White*. Athletically, Bob has been a starter on the baseball team since his Sophomore year and has also competed in football, basketball and cross-country.

Academically, Bob is an exceptional student, and I am sure that he will be a great success in the coming years.

JEFFREY MARSHALL EDWARDS

Key Club (3); Monogram Club (3); Var. Football (3); Var. Soccer (4); Var. Baseball (2); Var. Track (2).

It is fall in Tidewater, Virginia, and Jeff Edwards has begun his annual hibernation which will last until the warm sun and pounding surf awake him some seven months hence. He will not sleep all the time, however, but will fall awake a few hours each day to eat, to play baseball, football, and soccer (he is a three-year letterman in the latter two), or to have the pleasure of falling asleep again. Although he resembles a troll or some sort of forest ogre, he has been, in his five years at the Academy, one of the most popular members of the class of '66.

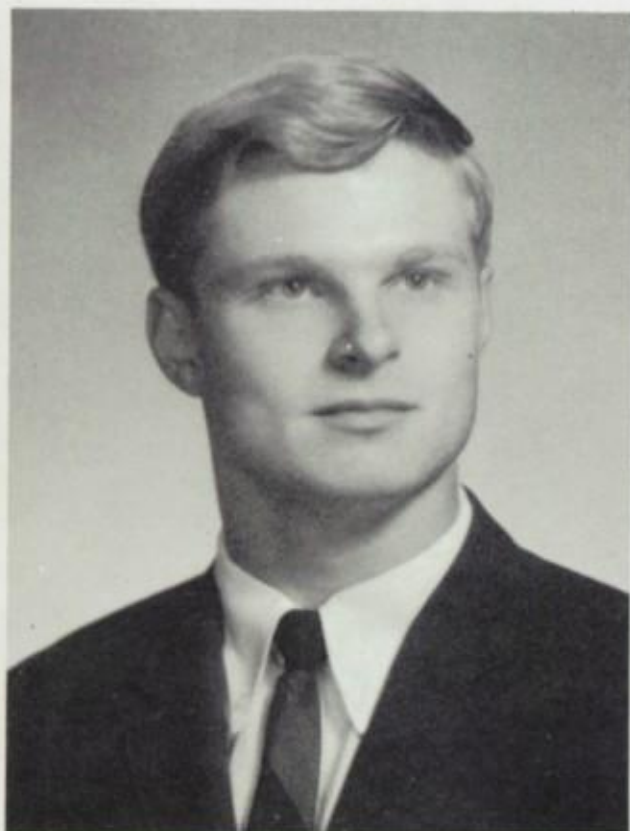

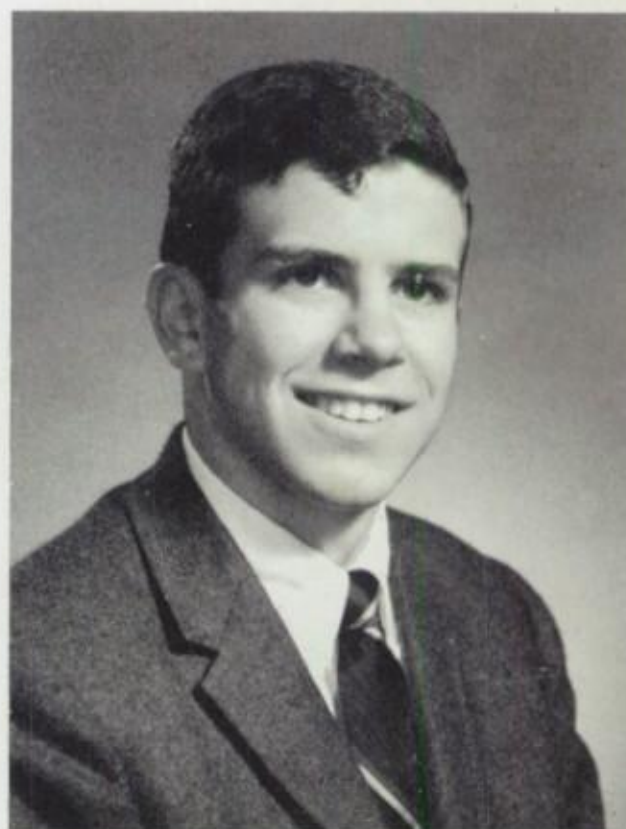

With alarm clock in hand, he will step into a new world to conquer next year when he enters Hampden-Sydney College.

MARK OSTROM FLAHERTY

Ars Medica (1); Epsilon Club (2); French Newspaper (1); Var. Football (1); Var. Soccer (1); Var. Track (2); Var. Basketball (2).

As the oldest member of our class, Mark Flaherty was a sure bet for Most Likely to be Drafted until he joined the reserves. He is pinning his hopes on an appointment to the Naval Academy on the chance that they won't find his physical and mental defects until it is too late. Mark has been on the football, soccer, track, and basketball teams at the Academy and has performed well in all. His ambitions include a career as a Naval Officer and membership in the Monogram Club. Mark's experience as a go-kart test driver enable him to whip his Lotus Volkswagen with unequalled proficiency.

Mark has left an indelible mark on the Class of '66 and also on the faculty. Mr. Harvie will never forget first period trig class and Mr. Mac will definitely never forget "Flaherty Footnotes." We are sure that Mark will leave his mark (get it) on the Naval Academy just as he has here.

JOHN JAMES FLORA, III

Epsilon Club (3); Ars Medica (3); Var. Track (4); Var. Wrestling (3); Var. Football (1); Var. Cross-Country (1).

John Flora, the man from Moyock, is our good-will ambassador from North Carolina. He is also involved in a great deal of joking that goes on in our class. "Hey John, I hear you had to fight a six-foot muskrat to get out of your house this morning." This is a commonly heard expression before school each morning.

John has an interest in science, exemplified by his membership in both the Epsilon Club and Ars Medica for three years. He has participated in a variety of varsity sports including football, track, wrestling, and cross-country. He is a good student and received a National Merit Scholarship Commendation this year.

When John Flora leaves the Academy, it will lose, not only its only representative from North Carolina, but also a great asset to the school.

ERIC ALAN HAUSER

Ars Medica (2); Monogram Club (2); Annual Staff (1); Business Staff of *Orange and White* (1); *The Belfry* Staff (2); Prefect (1); Var. Soccer (3); Var. Cross-Country (1); Honors (1).

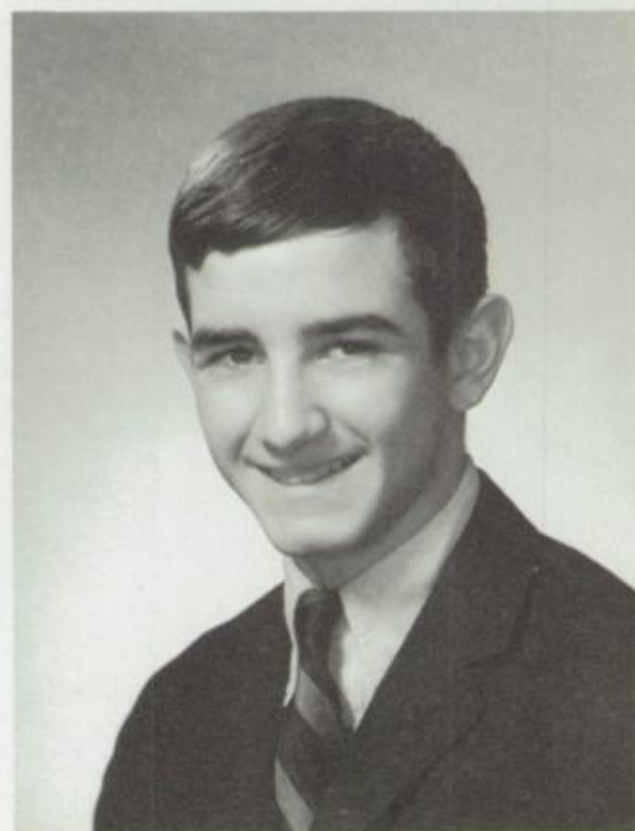

Each day an unknown saboteur foils J.A.M. This hero is not the man from U.N.C.L.E. but from E.R.I.C. (*Equipment Room Incorporated*). This man is Eric Hauser. While one would sooner relate Eric to Soupy Sales than James Bond, he is still an outstanding member of the Senior Class. Among his many attributes are humor, sensitivity, friendliness, intelligence, and his Mustang. Eric and James Bond have more in common than cool cars. Both are virile, slick, nonchalant, and frustrated lovers. Bond can wear a tuxedo under a wet suit and Eric can perform an equally difficult maneuver: he wears a wet suit under his tuxedo (ie. when he surfs). Eric, no doubt, will enjoy many more friendships and continuing success in his college years. After that, who knows?

JOHN VINCENT KITTERMAN

Ars Medica (2); *The Belfry* Staff (1); Student Council (1); Var. Soccer (1); Var. Baseball (2); Var. Wrestling (2); Honors (3).

In 1948 when John Kitterman was only two days old, a nurse commented that he had a very mischievous look in his eyes and would probably derange his entire family. Since then, John has continually found himself in the midst of chaos. When he is not throwing orange drink cartons, he scavenges the city for choir boy heads to add to his unique collection.

This imaginative outline is not entirely realistic in expressing John's personality. He is often stubborn and reckless, but he has a tremendous amount of self-confidence and his imaginative and original works have managed to keep his grades in the top half of the class. He enjoys all water sports and attempts to wrestle and play baseball. His batting prowess has caused Mr. Cumiskey to resign as baseball coach. When he goes into architecture at UVA next year, I know he will be a mad-cap success.

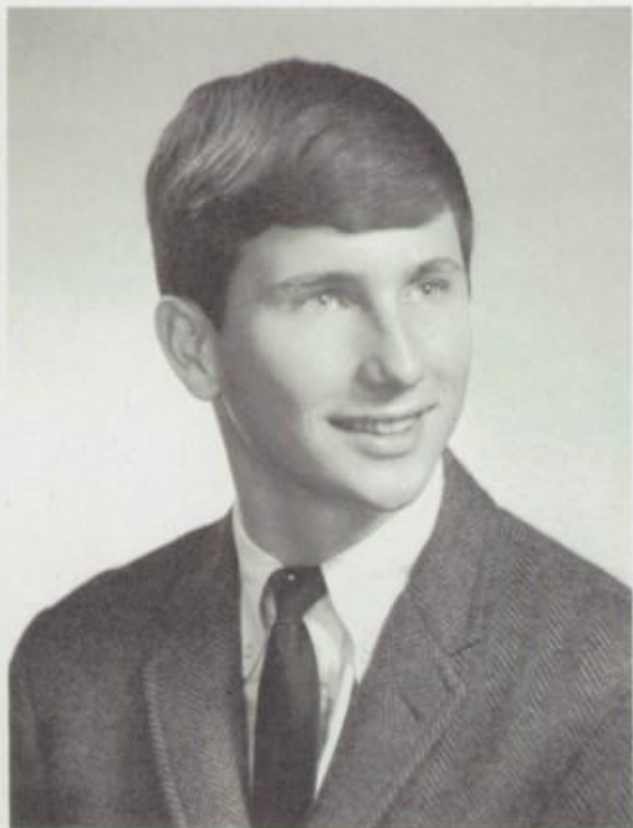

IRA LAWRENCE KURTZ

Ars Medica (2); Var. Football (1), Manager (1); Var. Wrestling (1); Var. Track (1).

Larry is one of the most popular and best liked boys here at N.A. He came to us only two years ago from Maury and already has become head of one of our more imperious organizations, "Kurtz' Goon Squad."

In his Junior Year, since he "did not know," he displayed a remarkable talent for public speaking and is regarded as a regular Daniel Webster. Generally, he always knows everything there is to know about the subject at hand. Larry has participated in football, wrestling and track, and his performance as football manager this year was vital to the success of the squad.

ROBERT MERCIER LAMBE, III

The Belfry Staff (2), News-Feature Editor (1); Business Staff of *Orange and White* (2), Business Editor (1); *Ars Medica* (3); Epsilon Club (2); Debate Team (1); Cheerleader (1); Var. Tennis (2); Honors (1).

If we were to classify every Senior according to his particular behavior patterns, Bob Lambe would offer a brilliant case of schizophrenia. Bob is unusually susceptible to hallucinations and delusions. He suffers frequently from a delusion of being constantly watched by the CBS Eye. Often he is befitted with obsessions to obliterate the numbers 10 and 13.

Now for some general comments on Bob's more serious side. Robert has an uncanny knowledge of Lutheran ideology as clearly evidenced by his totally incomprehensible chapel talk. Actually, he is quite intelligent and original in scientific and literary affairs and has a tremendous amount of potential. His natural ability and boundless enthusiasm will be the key to his future success.

ALVIN PENROSE LONG, III

Yeti Club (3); Monogram Club (2); Key Club (1); Epsilon Club (2); *Ars Medica* (3), President (1); Student Council (1), Secretary (1); Var. Football (2); Var. Wrestling (3); Var. Track (4); Honors (4).

Yes, that sweet looking fellow with the glasses and shining face is Norfolk Academy's most dear and beloved Alvin Long. Grand imperial Potentate and Head of the Norfolk and Portsmouth branches in the Eastern Virginia Division of Yeti International, this bright youth has been our biggest promoter of subtlety throughout N.A. and has managed to establish his favorite pastime, the Yeti Club, into probably the most exclusive organization outside of Doc's darkroom.

I shouldn't, however, limit Alvin's gifts to his great subtlety, for Al is one of the smartest members of our class and very active in such other less subtle organizations as the Key Club, *Ars Medica*, and Student Council. Not to mention the spirit, drive, and talent he has shown in football, wrestling, and track. I don't think that anyone can dislike Al, for he exhibits such humor and friendliness in personality and so much spirit and desire in intelligence that I am sure Alvin will be a benefit wherever he may go from here.

THOMAS COLLINGS MASSEY

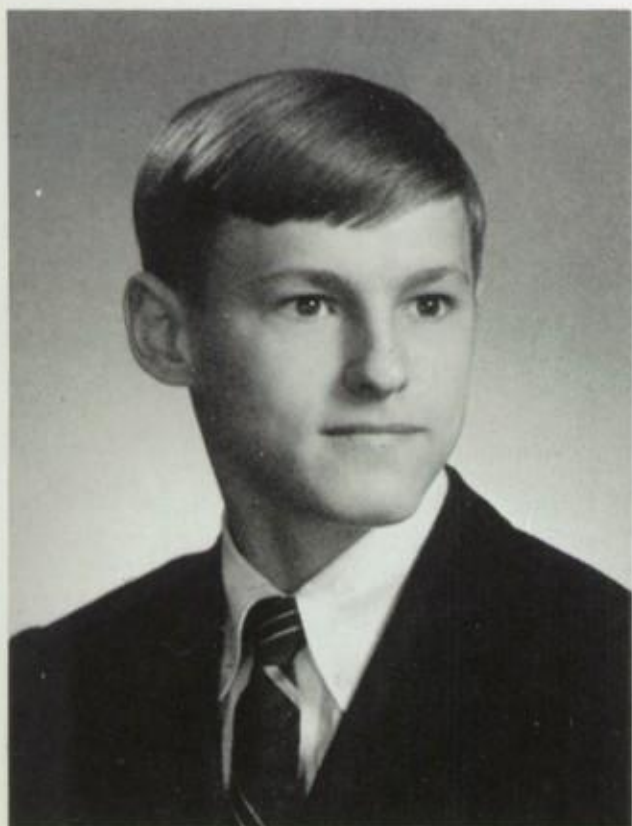

Epsilon Club (3); Vice-Pres. (1); *Ars Medica* (3); Key Club (1); *Belfry* Staff (2), Assistant Editor (1); Literary Magazine (1); Prefect (1); Art Club (1); Var. Tennis (3); Var. Soccer (2).

Due to his father's prominent position, there is little that can be said here of a derogatory nature; therefore, these remarks will be confined to the lesser half of Tom Massey's character.

Recently, it has been noted that Tom has a peculiar haggard expression, possibly resulting from his long daily walk to school or the fact that he is one of the few seniors to have completed the full twelve years at the Academy. Despite this fact, Tom still maintains a certain amount of energy which serves him in good stead as an Editor of *The Belfry* and also as a good tennis player. It also serves his peculiar laugh which often invades the silence of the Belfry room.

As a person, Tom has always maintained a high degree of integrity and a sincerity toward his academic responsibilities. The Senior Class feels sure that he will be a success in whatever field he chooses.

JOHN SCOTT MEREDITH

The Belfry Staff(2); *Ars Medica* (2); *Epsilon Club* (1); *Var. Wrestling* (2); *Var. Track* (1).

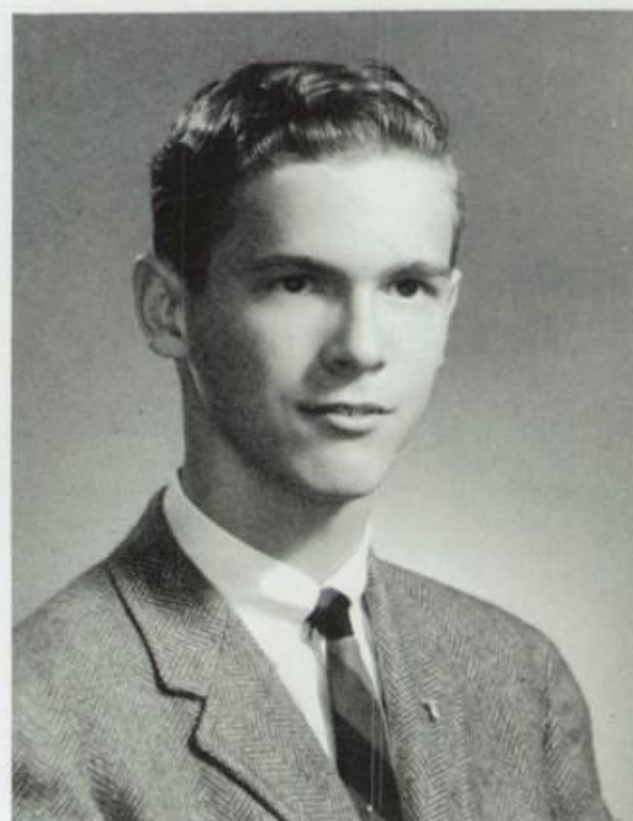

Scott Meredith, one of the more highly spirited and best liked members of our class, is pictured here. Scott is best known for his high scholastic standing and after-lunch announcements. Athletically, Scott spends the cold winter months in the tropical confines of the wrestling room. Clubs such as the *Epsilon Club* and *Ars Medica* are right up Scott's alley; he contributes his skill and insight to all organizations in which he participates. Outside of school, Scott has become one of our most adept surfers. In his future days, he will undoubtedly meet with a great deal of success.

JOHN EDWARD METHENY

Epsilon Club (2); *Monogram Club* (2); *Var. Track* (4); *Var. Cross-Country* (2).

To compact such an outgoing and ribald (something like hairy wheat) character like John Metheny into so short a space would take a great man of letters, but we shall make a feeble attempt. John loves to hunt — for doves, deer, grades, seats, and spoons. He is best known for his rat with a tremendous tooth and cancer, and his "don't-sweat-it attitude." The only time he has ever been noticeably perturbed was one morning when he came to school with scratches all over him. "You were attacked by a six foot *what*, John?"

John belongs to the *Epsilon Club* and the *Monogram Club* and has been seen associating with such shifty characters as Courtney, Ira, and Doc. John's friendly smile, clever quips, and his ability to slide-rule fight with Phil Anderson will be greatly missed when he leaves the Academy.

DUANE ROBERT MOATS

Student Council (3), *Vice-Pres.* (1); *Key Club* (3), *Sec.-Treas.* (1); *Honor Court* (2); *Booster Club* (1); *Monogram Club* (4); *Ars Medica* (3); *Debate Team* (2), *Sec.-Treas.* (1); *Senior Prefect* (1); *Var. Cross-Country* (2), *Captain* (2); *Var. Soccer* (2); *Var. Track* (4), *Co-Captain* (1).

After any Academy athletic event or extra-curricular activity, you can find a car-load of boys on the way home in a maroon Rambler. Heading presumably for home, the car is seen stopping several times for food. Never wanting to incur the wrath of the riders, the young Moats swerves off the road and enters through the rear of the store. After everyone is completely satisfied, the car pulls back onto the road heading homeward again. Speeding on down the road, he soon discovers that he has left someone at the store, so he nonchalantly makes a U-turn in the middle of the highway with everyone covering his eyes waiting for the impending disaster, only to find that they have been spared by the still-calm Moats.

If one bothers to look back at the events in the school calendar and takes note, he will find Duane helping out in all the work. Duane's helping hand has provided the school with many completed tasks and the Senior Class with outstanding leadership. We all hope that he will achieve success in whatever he finally decides to do and gets there without making any U-turns.

JAMES LEE NELSON, JR.

The Belfry Staff (2), Sports Editor (2); Monogram Club (1); Prefect (1); Var. Football (2); Var. Wrestling (2); Var. Track (4).

Jim Nelson holds the distinction of being one of the few members of our class to have spent his entire twelve years at the Academy. Jim's lower school career is best remembered by the fine football team which he captained in the sixth grade.

Jim has always been one of the most popular members of our class. He is an excellent writer, exemplified by his fine editorials which he writes as Sports Editor of the *Belfry*. Jim displayed his great competitive spirit on last year's wrestling team when he gamely went against boys weighing as much as 100 pounds more than himself. Jim is also a two-year football letterman and a trackman. Because of his great sense of humor and friendliness, Jim will be a great asset to any college he wishes to attend.

ROBERT COLLIER NUSBAUM, JR.

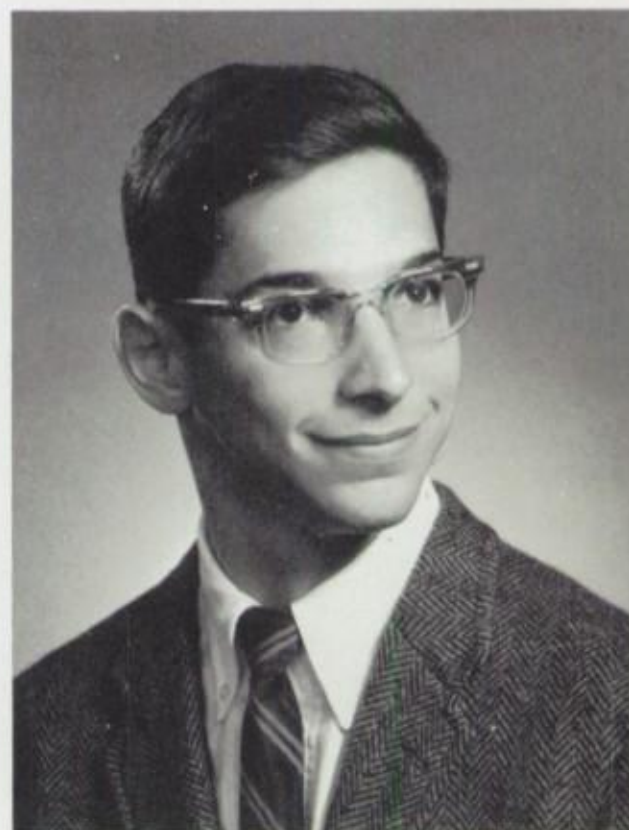

Epsilon Club (3); Ars Medica (2); *The Belfry* Staff (2); French Newspaper (1); Literary Magazine (1); Debate (2); Monogram Club (2); High Honors (6).

Twenty years from now, Bob Nusbaum will probably be a well-known nuclear physicist.

For six years Bob has not only enhanced the Academy with his intellectual talents, but has also contributed greatly to school activities and athletics. One of the school's outstanding debaters and a conscientious contributor to the French Newspaper, Bob is probably the outstanding student in the senior class.

School work is not only Bob's only interest: on afternoons he can be seen grinding it out on the soccer field or preparing for a track or cross-country meet. He is also a familiar sight in Senior Study Hall, where his congenial personality contributes much to the numerous discussions.

Bob's talents have been solicited by so many colleges that he is undecided where to attend; however, Harvard and a career in nuclear physics are included in his more immediate plans.

VINCENT HILLES OBER, JR.

Key Club (3), President (1); Ars Medica (3), Treasurer (1); Monogram Club (2); Epsilon Club (2); Student Council (1), Treasurer (1); Honor Court (1); Var. Football (2); Var. Track (4); Var. Wrestling (5).

Vince Ober is definitely one of the outstanding members of the Class of '66. His efforts last year in selling Key Club donuts at 100% profit aided him in being elected to the office of Senior Class Treasurer this year. He is an active participant in football, wrestling, and track, and served as co-captain of the wrestling team this year. He possesses great qualities of student leadership as shown this year as he held the office of President of the Key Club.

More important, Vince has a friendly nature and a great sense of humor. Ever since he came to the Academy in the eighth grade, he has been greatly liked and appreciated. He seems to be available to laugh at a good joke, shoot the breeze, or get someone a sorely needed date. I'm sure that Vince will succeed in all of his endeavors of the future.

ROBERT JAY PARISER

Epsilon Club (3), Secretary (1), President (1); Ars Medica (2); Literary Magazine (1); *The Belfry* Staff (2), Editor-in-Chief (1); French Newspaper (1); Var. Tennis (3); High Honors (5).

Bob entered the Academy in 1960. Since then he has received many honors and distinctions; his greatest achievements have been in science, where his projects have won numerous awards on the local, state, and national level. He has maintained a high honor roll average ever since he entered the school and he has always been at the top of his class. He has also participated in many extra-curricular activities and this year is President of the Epsilon Club and Editor-in-Chief of the *Belfry*. Bob is also a member of Ars Medica and a perennial member of the Academy Athletic League. Bob has also been on the Varsity tennis team since his Sophomore Year. Bob Pariser has truly made many contributions to the Academy, and we are sure that he will excel in the college of his choice.

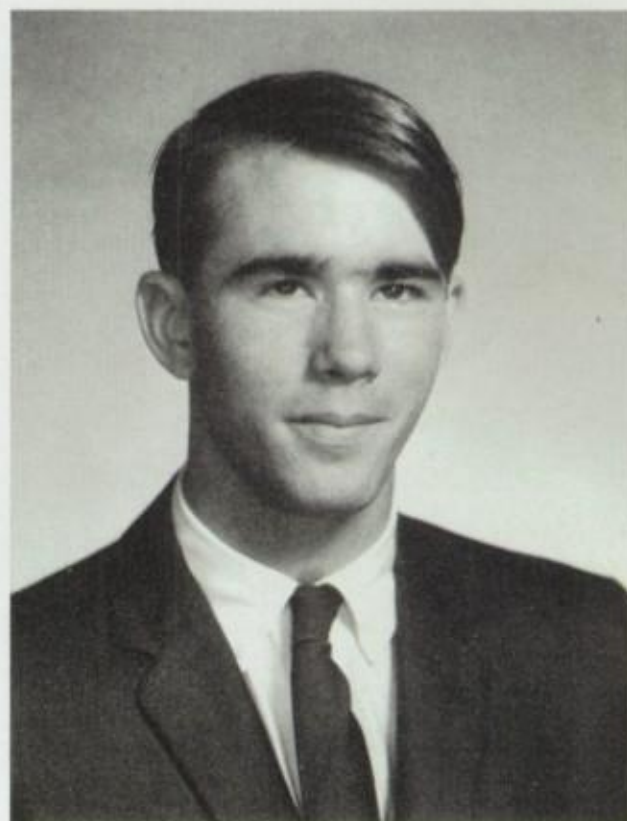

DAVID PAUL, III

Monogram Club (4); Varsity Football (2); Var. Wrestling (4); Var. Track (3).

The lost sheep has returned to the flock! After spending his junior year at another school, where there were "too many people," Dave Paul has rejoined the student body at the Academy, where he is making his contributions to the class, through football, wrestling, and track. Dave is probably one of the fastest sprinters in Academy history. He is also a proud member of the Monogram Club.

David is an avid coin collector, and he surprised us all with the new GTO he bought with his earnings from working in a coin shop.

Dave hopes to go to Hampden-Sydney next year, and we are positive that his friendly nature and ability to make good grades will make him a great success.

STANLEIGH WILLIS PHILLIPS

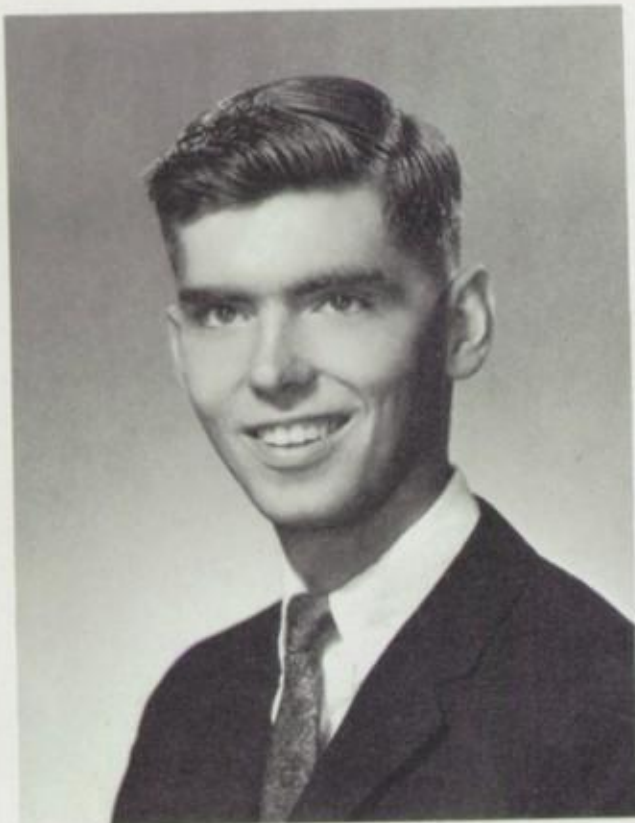

Epsilon Club (3); French Newspaper (1); Var. Football (1); Var. Cross-Country (1); Var. Track (4); High Honors (4).

Stanleigh Phillips, B.S., Ph.D., F.R.S. These degrees are those by which the world will probably know Stan Phillips fifteen years from now. His ambition of becoming a research scientist has been easily foreshadowed by his constant high-honor-roll averages and his active participation in the Epsilon Club. Also, during the past summer, he studied biochemistry at a National Science Foundation Program in New England.

However, Stan is just as active in athletics as he is in academics. During his junior year, he was an active participant on the cross-country team and placed in several meets. This year he plans to continue his interest in running and other athletics by participating on the football and track teams.

Stan plans to go to Davidson next year, where everyone knows he will be a great success.

JOHN RIDGELY PORTER, III

The Belfry Staff (2); Literary Magazine (1); French Newspaper (1), Editor (1); Monogram Club (3); Debate Club (2); Var. Tennis (4).

In his years at the Academy, Ridge Porter has established a reputation of extreme self-assurance. A history specialist, he hopes to attend Washington & Lee and go on into a career in law or business. Ridge should excel in either field because of his skill as a debator. His main interest is tennis, in which he has lettered for three years. Ridge was editor of the French Newspaper last year and has written for the *Belfry* for several years. Academically, Ridge has done exceptional work in his seven years at the Academy. He holds the distinction of being in the Portsmouth Club for the longest number of years. We all wish Ridge the best of luck when he goes off to Lexington next year, and we are sure that he will do well in whatever field he enters.

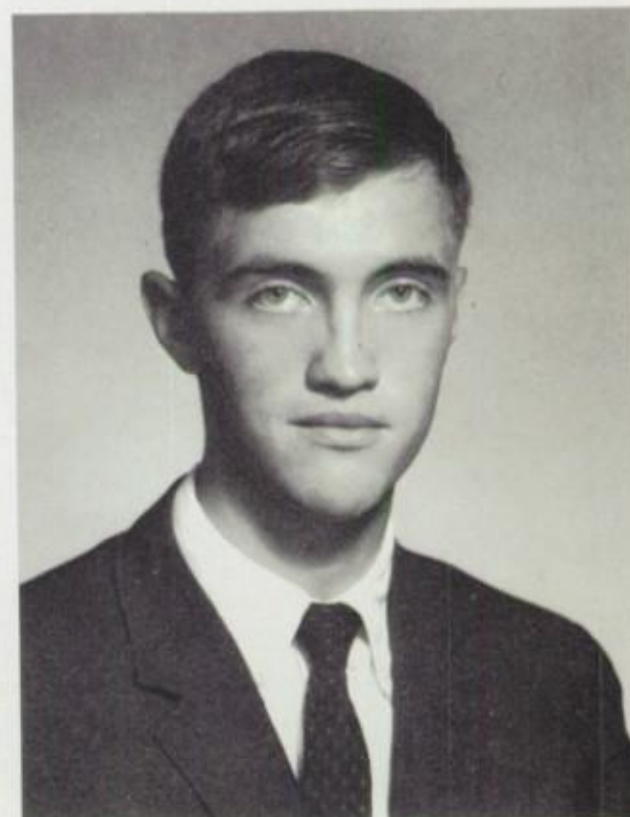

RICHARD COURTNEY REED, JR.

Ars Medica (2), Vice-Pres. (1); Epsilon Club (4); *Belfry* Staff (4); *Orange and White* Staff (1); Var. Track (4); Var. Cross-Country (2); Var. Basketball (2); Honors (2).

Courtney came to the Academy in 1959, and has become one of the most looked-up-to young men the school has ever produced. Treegor has participated in three varsity sports his last few years at the Academy, and has also maintained an excellent scholastic average. He is well known for his knack of making one feel three feet tall with one look and then smiling benevolently at the victim.

His outside interests include photography and boating, and he is very proficient (?) at both of these activities. He is also interested in science, and has won awards at local and state levels for his projects. Courtney holds the office of Vice-President of Ars Medica, thus showing his enthusiasm for medical science.

Courtney has become a fixture at N.A., and he will really be missed when he graduates, but we are sure he will be welcomed into whatever college he chooses to attend.

DOUGLAS DAVID SCHOCKEN

Ars Medica (2); Debate Team (2), Vice-Pres. (1); Prefect (1); Annual Staff (2), Photography Editor (1); Varsity Track (3); Var. Soccer (3); Var. Football Mngr. (1), Trainer (1); Honors (4).

Brother Douglas Schocken, Assistant Vice Sub-Ordinate Deputy Prelate for Afro-Asian Affairs of Yeti International, has earned a reputation as one of the subtlest members of the Class of '66. In addition to his well-known efforts in behalf of the Yeti, he has distinguished himself as photography editor of the *Orange and White* and as an outstanding member of the debate team. The football team is eternally grateful to Doug for the excellent job he did as trainer this year.

Doug is a good student and has maintained an honor roll average throughout his four years at the Academy. His lively sense of humor and the fantastic color combinations of his dress have disrupted many a first-period physics class. In spite of the fact that Mr. Jones has often expressed his pity for those seniors who have to spend an entire day in class with Doug, we are sure that Doug's wit and intellect will make him a success at Duke University.

LEWIS SHULMAN, JR.

Ars Medica (2); Monogram Club (2), Sec.-Treas. (1); Debate (1); Prefect (1); Var. Soccer (1); Var. Wrestling (2); Var. Baseball (3); Var. Football (2); Honors (3).

"All I know is: 'We're gunna beat the Beach.'" Lewis Shulman has released to the student body another of his many brilliant conceptions. Let's follow this vibrant character as he goes through a typical day. After practice, Lewis can usually be found leaving the Giant with a bag of donuts tucked under one arm and a box of sandwiches for Ober under the other. After making a wrong turn onto Little Creek Road, Lewis finally turns around just in time to run a red light at Granby and again at Newport. Finally losing all sense of direction on Diven Street, Shulman reluctantly condescends to letting Ober drive, complaining all the while that his reflex drills with Wood during calculus class have robbed him of his natural sharpness of mind. After returning home, the young Lewis disappointedly discovers that he has lost a few more tufts of hair and hastily glues down his overhanging clump of curls to cover his receding hairline.

Athletically, Lewis has played football and was a big help on the baseball team with his pitching prowess and high batting average. He always seems to end up on the top of the class with grades and has strong potential to succeed in the future. As soon as Lewis finds the right direction to proceed, I'm sure he'll go far, at least that's what he tells me.

TAZEWELL GIFFORD TAYLOR

Ars Medica (2); Monogram Club (2); Prefect (1); *Orange and White* (1), Organizations Editor (1); Var. Track (2), Co-Captain (1); Var. Football (2); Var. Football (2).

One of the smarter, more scientific memb . . . excuse me, wrong write-up.

Taze came to us two years ago from Virginia Beach, and in that time has written a number of illogical themes (Suspicion Breeds Content), has drugged quite a few listeners to sleep with his monotonous speeches, and has himself slept through a number of trig classes.

Despite these faults, Taze has been immensely popular with his classmates, and in his senior year is serving as track captain and prefect. Although he can't make up his mind between V.M.I. and barber college, we know he will succeed wherever he goes.

CHARLES WAITE WALKER

Art Club (3); Ars Medica (3); Monogram Club (1); Var. Football (2); Var. Soccer (3); Var. Track (3); Var. Baseball (1).

The bell signifying the end of first period has just rung and Mr. Harvie's trig class grimly files out and deposits their tests into his hands (all but one, that is). Over in the corner, Charlie Walker is working madly over the last problem and muttering something about, ". . . not enough time . . ." or ". . . just a minute, just a minute! . . ." A little while later, Charlie appears in the basement mumbling that the trig test was too long and he didn't understand the Physics last night. By the time Physics class rolls around, Charlie is pretty well disgusted with the entire day, and Mr. Jones' smiling face is just enough to send him into an even deeper gloom. When the athletic period arrives, Charlie is mad at everybody, and as a result, has been a standout at guard on the football team. Charlie has also held down a position on the soccer team and has helped the track team in the shot and discus. Charlie really has a great sense of humor, as those who know him well will testify; a few teachers even claim to have seen him smile. In his six years at N.A., Charlie has been a favorite of both faculty and students, and he surely will continue to be at V.M.I., where he plans to go next year.

RICHARD ROLLAND WALKER

Monogram Club (3); Ars Medica (3); *The Belfry* Staff (3); *Orange and White* Staff (1); Booster Club (2); Var. Cross-Country (1); Var. Football (1); Var. Wrestling (4); Var. Baseball (2).

One of the better dressed boys in the school, Dick can usually be seen shuffling around the school preparing himself for Mr. Harvie's next "bomb." Generally good natured, Dixie has proven himself on the wrestling mat and by his work on the *Belfry* and the *Orange and White*. He is, however, far from all work and no play. His frequent trips to Sandbridge regardless of the surf conditions have made people stop and wonder at his degree of devotion to his new-found sport. Similarly, Dick's provocative approach to Mr. Babcock's theme topics will long be remembered. A real worker when the chips are down, we feel certain that Dick will find success in his future endeavors.

FORREST REYNOLDS WHITE

Monogram Cub (2); Ars Medica (2); Epsilon Club (3); Literary Magazine (1); *Orange and White* Staff (1); Classes Editor (1); Var. Football (2); Var. Wrestling (2); Var. Baseball (3).

Hap's performances in wrestling, football, and baseball range from spectacular to hilarious. Whether driving his custom Rambler or returning his library books, Hap always makes his presence felt. In the area of scholastics, he does his best to monopolize class time and get his "closet" themes in late. His quick recall of obscure history facts make all think that he and Cmdr. Fahey are in alliance.

Hap hopes to attend Randolph-Macon next year and go on to a career in medicine, and we are sure he will be a great success.

MICHAEL MCCURLEY WOOD

Monogram Club (3); Annual Staff (1); Sports Editor (1); Var. Football (3); Var. Baseball (3); Var. Basketball (2); Var. Wrestling (1); Yeti Club (1).

One of Mike's good friends, after first meeting him, said, "Mike's a pretty good guy but he sure seems like he's in a fog all the time." Despite Mike's apparent daze, he has managed to establish a big reputation as "an athlete, scholar, and all-around good guy," to quote himself. Seriously though, Mike has become probably the best athlete, certainly the most humorous, and also the best liked by faculty and students.

Although at times Mike has tendencies toward forgetfulness (pencils, paper, books, etc.), tardiness (chapel, appointments, and everything except practice), and a generally irrepressible attitude, he is usually successful at anything he is really interested in.

With Mike and his twin, Tim, bound for Hampden-Sydney (he hopes) we're not quite sure of the effects it will have on the Hampden-Sydney tradition, but we're hoping for the best.

- I, Erle Austin, leave my freight train speed to Dirk Schmidt, my shoulder stay-in arm strap to Mr. Jones, my old arm sling to Doc to wipe up virile *Staphylococcus Aureas* I dropped on the floor on Field Day, and the scar on my shoulder to anyone who finds he goes unnoticed on the beach.
- I, Don Beskin, leave a free dinner to Mr. Craig, a plebiscite to Mr. Fahey, a Ridge Porter doll to Mr. Wallace, and a list of *Belfry* editors to Mr. Mac.

- I, John Flora, leave all my corny jokes to Thornton Field because he is the only one fertile enough to cultivate them.
- I, Eric Hauser, leave my Fred Astaire dancing legs to Bob "Lionel" Armstrong, and my debonair way with women to any junior what thinks he can pick 'em up and set 'em aside like the kid.
- I, John Kitterman, leave a great love for this "peculiar institution."
- I, Ira Kurtz, mul, leave to Mr. Harvie a book of a billion and one general trig questions.
- I, Robert Lambe, leave to Doc a finely divided vanadium pentoxide tie rack (for sincerely given ties), to Mr. Craig a 1952 photo of Doc (with hair) and a case of Tanfastic, to Mr. Wallace a silver holster, and to Mr. Fahey, a pair of 007 pajamas and a color portrait of Ridge Porter.
- I, Alvin Long, leave a feather from my Bedonkoke Apache Injun headdress to Brother Coach, a series of eight candids taken in English class to Ridge Porter, and the leadership of the Norfolk branch of Yeti International to John Payne, with subtlety.
- I, Tom Massey, leave to my father the administrative duties at the new school, in the hopes that he will perform them as well as I have at the old school for the past twelve years.
- I, Scott Meredith, leave to any rising senior Mr. C's secretary and my uncanny knack for public speaking along with my reputation for being such a despotic, relentless table head. Dismissed Tables.

- I, Stanleigh Phillips, leave Mr. Wallace my old, worn out Superman suit and an acknowledgement for Mr. Kepchar.
- I, Ridge Porter, leave Mr. Harvie.
- I, Courtney Reed, leave to Mr. Fahey (The Mole) one gallon of Microdol-X Developer to clarify the shadows and increase the resolution of his anti-red-tinged character, and to Mr. Jones my slide trombone and embossed O.K. Crackerby sign.

Varsity Football

With the help of a forfeit, the 1965 Bulldog football team finished with a 5-4 record, the first winning season in years. Although a light team, the Bulldogs made up for this with desire and spirit. Great factors in the attitude were Co-Captains Erle Austin and Phil Anderson. The offensive team consisted of Ted Wood and Happy White at end, Mike Wood and Anderson at tackles, Charlie Walker and Lewie Shulman at guards, and Jeff Edwards at center. The backfield was led by quarterback

Casey Jones, halfbacks Bill Mayo and Austin, and fullback Will Stacey. Mike Cox, Jim Nelson, Bob Collector, Tom Batchelder, and John Coppedge came into the game when the Bulldogs were on defense. At the end of the season, Mike and Ted Wood, Anderson and Jones were named to the Tidewater Conference of Independent Schools all-star team. Erle Austin was an honorable mention choice.

N.A. 0 Va. Beach 25

The Norfolk Academy football team dropped the opening game of the season to a strong Va. Beach eleven by a 25-0 score. It was the final game for the two rivals, for the Seahawks are moving into Eastern District competition next year. The game was played under the lights on the Beach field on Friday, September 17.

The Seahawks scored quickly in the first period and added two more before the half as Don Bradley scored all three on short runs. The Academy could not maintain a drive against the Seahawks, as the Bulldogs lost the ball twice on interceptions and three times on fumbles. The Beach scored once more in the third quarter to close out the scoring.

N.A. 12 Hampton Roads Academy 0

The following week the Bulldogs entertained the Navigators from Hampton Roads Academy. The first quarter was scoreless but early in the second period Alvin Long swept end on a double reverse and scored from 20 yards out to give N.A. a 6-0 lead at intermission. In the third quarter with fourth down Casey Jones had the ball centered over his head. He rushed back to the five, picked the ball up and threw to Ted Wood on the 25. Wood outran the HRA secondary to record the final tally for the Bulldogs and close out the scoring 12-0.

N.A. 13 Christchurch 7

The next Friday, the Bulldog eleven traveled to Saluda to play the Seahorses of Christchurch. The Bulldogs drew first blood in the second quarter as fullback Will Stacey went over from seven yards out. Charlie Walker added the extra point to give the Bulldogs a 7-0 half-time lead. In the third period, Erle Austin, who gained 124 yards in 21 carries that day, took the ball over for the score. The Seahorses were able to score late in the fourth period but it was not enough as the Bulldogs won their second straight by a 13-7 score.

N.A. 12 Collegiate 7

Gaining its third straight victory, the N.A. eleven gave Collegiate a 12-7 beating which more than pleased a large Homecoming crowd. The first score came in the third quarter as Quarterback Casey Jones passed ten yards to end Ted Wood who went in for the score. Minutes later Collegiate intercepted a pass setting up a TD and adding the conversion to go ahead 7-6. Late in the fourth period, however, Casey Jones, crashed over for the final score to give the Bulldogs a well-deserved 12-7 victory.

olic. Both teams scored in the first half, the Academy touchdown coming when Casey Jones completed a pass to halfback Bill Mayo, who ran 27 yards for the touchdown. The Bulldogs scored again as Erle Austin capped a 67-yard drive by carrying the ball over from short yardage. The Bulldog lead appeared to be sufficient, but the Crusaders scored in the last 52 seconds and Pat Maloney booted the extra point to give Catholic a 14-13 victory.

N.A. 18 Virginia Episcopal 46

Traveling to Lynchburg for their fifth game of the season, the N.A. eleven was defeated by V.E.S. to even their record at 3-3. The Academy's three tallies came in the first half, as Erle Austin and Will Stacey carried the ball over from short yardage and Bobby Hill caught a 45-yard pass from Jones and outran the secondary for the T.D. The score at the half was VES-26, NA-18. Unable to maintain a drive in the second half, the Academy lost to a fine V.E.S. eleven by a 46-18 score.

N.A. 26 Blue Ridge 7

The high point of the season came at Blue Ridge, as the Bulldogs romped over a favored Blue Ridge team by a score of 26-7. The game got off to a bad start as the home team scored on their first series of downs. Early in the second quarter, Casey Jones fired a pass to Ted Wood to cap a long march to

the end zone. The Bulldogs retained possession on a recovered onside kick, and scored with only seconds remaining in the half. The Bulldogs capitalized on several breaks in the second half, as Bill Mayo and Mike Cox scored touchdowns and Charlie Walker added the extra points.

N.A. 19 Fishburne 33

The Bulldogs played their last home game and dropped as 33-19 decision to Fishburne Military Academy. Playing without the services of halfback Bill Mayo, the Bulldogs held the score even at the half 12-12, with Ted Wood and Erle Austin scoring for the Academy. It was the superior size of the Caissons which proved the deciding factor in the second half, and the Bulldogs could not get a drive going until too late. Fishburne led 33-12 late in the game, but Mike Cox scored the final TD and Ted Wood added the conversion on a pass from Whiz McNeal.

N.A. 0 St. Christopher's 44

The Bulldogs closed out their season the following week at St. Christopher's in Richmond. This is a game the Bulldogs would rather forget, as they lost to a much larger team 44-0. The Bulldogs were handicapped by numerous bad breaks which stopped many drives. This final loss left the Norfolk Academy eleven with a 4-5 season record.

Junior Varsity Football

This year's Junior Varsity Football team, under the leadership of Coaches Leo Anthony and Ron Byrd and Co-Captains Bo Taylor and Chris Castle, finished the season with a fine 5-2-1 record. The high point of the season was a 12-6 victory over archrival Granby, the team which Mr. Anthony coached last year. Other victories were recorded over Hampton Roads Academy, Norfolk Catholic, Kempsville, and Christchurch. The only losses came at the hands of Virginia Beach and Indian River, and in the final game of the season, the Bullpups tied Churchland 0-0. The J.V.'s had many boys such as Taylor, Castle, Townie Brown, Bill Mason, Joe Hume, Jeff Bloodworth, and John Fahey who will help the Varsity considerably next year. This year's J.V. foreshadows a fine future for football at the Academy.

As predicted, the 1965 cross-country team bettered the record of the previous year's team. Under the able coaching of Mr. Wallace, the team compiled an impressive 6-4 record against a very tough schedule which included such Eastern District powers as Churchland and Oscar Smith. The high point of the season was the winning of the Tidewater Conference Cross-Country Meet in which John Lumpkin finished fourth and Duane Moats fifth. Outstanding performances were turned in throughout the year by Moats, Lumpkin, Bill Sawyer, John Metheny, Nusbaum, Garnett Jordan, and Treegor Reed. The outlook for the 1966 team appears bright, with Lumpkin, Sawyer, Jordan, and Rick Eustis returning.

Varsity Basketball

Again hindered by lack of height and experience and a schedule which includes some of the toughest teams in the state, the varsity basketball team is playing surprisingly well against such formidable odds. This year's team is coached by Mr. Leo Anthony, a former star basketball player at Old Dominion College.

Co-Captains Casey Jones and Bill Mayo, Mark Flaherty, Bob Collector, Mike Wood, Chris Castle, Weldon Bradshaw, Rick "The Stick" Eustis, and Taze Taylor have all started at least two games. The usual starting five, however, is Jones, Mayo, Castle, Collector, and Claude Bain.

The team's most impressive win was over Hampton Roads. Jumping off to a quick 10-2 lead, The Bulldogs maintained the 8 point margin to win 47-39. The schedule is a hard one, but the team, led by Collector, Wood, and Jones whom Coach Anthony has called, "one of the most potent scoring machines in Va. High School History," hopes for a bright season.

J.V. Basketball

Coach Ron Byrd

The 1965-66 Junior Varsity Basketball team has evolved into one of the strongest in the history of the school. Under the leadership of Coach Ron Byrd, a star basketball player at Old Dominion College, the team has compiled a 5-4 record to date with only a few games remaining. Impressive victories were recorded over Norfolk Christian, Hampton Roads Academy and St. Vincent's. The first team usually consisted of Rob Henderson, Owen Smith, Ed Early, Bill Coppedge, and Claude Bain, and these boys should help the varsity in the coming years.

Varsity Wrestling

Despite the loss of former coach Armand Taylor, this year's wrestling team is potentially one of the best the Academy has seen. Seasoned wrestlers return in almost every weight class with great depth in the middle weights! Among the lettermen returning from last year are Whit Musick at 103, Jeff Weisburg at 112, Dick Walker at 120, Alvin Long at 133, Vince Ober at 138, Mike Cox at 154, Phil Anderson at 165, Happy White at 180, and Jim Nelson at heavy-weight. Other grapplers with some experience are Bobby Armstrong at 127 and his brother Bill at 95. Lewis Shulman at 145 and John Donahoe at 154 have been on the squad for several years. Under the leadership of co-captains Ober and Anderson and the coaching of Mr. Jones and former Academy wrestling greats Dick Musick and Newty Miller, this year's team has shown promise of a successful season despite another tough schedule.

Once again this year, the outlook for the varsity soccer team looks bright. This year we have almost an entirely new team and a new coach, Mr. George Hecker, and this has produced an entirely new outlook for soccer at the Academy.

Although the squad lost quite a few of its more experienced members last year, the prominent returnees include Co-Captains Erle Austin and John Mitchell, Jeff Edwards, Ted Wood, Doug Schocken, Will Stacey, and Charlie Walker. Rounding out the first team are Bill Mason, Whiz McNeal, Thornton Field, and Tom Brockenbrough.

Coach Hecker and his assistant, Mr. John Cooke, undertook a difficult task in rebuilding the soccer team, but they have done an excellent job, as the Academy remains one of the top soccer teams in the state.

Varsity Track

Coaches Wallace and Jones.

Under the leadership of Coach Jones and Co-Captains Bill Castle and George Sadler, the 1965 Varsity Track Team was one of the best in the school's history. School records were broken by Duane Moats in the pole vault, Ed Underwood in the high hurdles, Taze Taylor in the mile and 2-mile, and Jack Smith in the 880. Despite losses through graduation, many outstanding performers from the 1965 team return this year. Among them are Moats, Taylor, Weldon Bradshaw, John Lumpkin, Bob Hill, Courtney Reed, Townie Brown, and Bill Mayo. The Bulldogs won two meets during the 1965 season. They defeated Southampton 62-58 in a meet in which the Academy recorded eight first places. In the last meet of the year, N.A. upset a powerful rival from Frederick Military Academy by a score of 66-65.

The prospects for this year's team are bright, and with the fine talent which is returning, the 1966 track team can expect another fine year.

J.V. Baseball

The 1965 Junior Varsity baseball team, under the fine coaching of Mr. Gene Johnson, compiled its first winning record in several seasons. The highlight of the season was Jake Early's one-hit victory over Norfolk Catholic. Other victories included two over Carolton Oaks and one over Virginia Beach. Led by Co-Captains Chris Castle and Whiz McNeal, the J.V. lined up with Castle behind the plate, Arnie Snitz at first, Bill Mason at second, McNeal at shortstop, and John Callaway at third. In the outfield were John Bennett, John Fahey, and Claude Bain. These boys by no means played all the time, for the J.V. had a fine bench which came through in the clutch on many occasions.

Varsity Baseball

The 1965 Varsity Baseball team, which was highlighted by the return of Mr. Cumiskey as coach, finished the season with a 5-8 record despite some fine performances by veterans Barclay Winn, Dick Lahey, Lewis Shulman, Bob Collector, and Mike Wood.

The pitching staff, composed of Lahey, Shulman, and John Barnett, turned in fine performances throughout the season. The lineup consisted of Winn at catcher, Wood at first, Gordon Nash at second, Tim Golden at shortstop, and Shulman at third. Barnett and John Donahoe were in left, Collector was in center, and Jim McClane played right. Mike Goldberg, Jeff Edwards, and Happy White also saw some action.

The high point of the season was a close 4-2 loss to Eastern District power Cox, which had crushed the Bulldogs 22-2 in the opening game of the season. Wood, Shulman, and Winn collected two hits apiece to bolster a fine pitching performance by Dick Lahey.

This year's Varsity Baseball team will have four returning lettermen, Wood, Collector, Donahoe, and Shulman, and under the new coach, Mr. Leo Anthony, the team anticipates an outstanding season.

Varsity Tennis

If the tennis team of 1964 was the strongest ever fielded in Academy history, the Varsity tennis team of 1965 was even stronger, for the top six players of the '64 team returned last season. The ladder was almost the same as in the previous year: #1, Tom Rueger, #2, John Winter; #3, Bill Garrison; #4, Wiley Wood; #5, Buzz Heidt; and #6, Ted Wood. Windy Bill, Ridge Porter, and Rob Henderson gave the team good depth. With a record of 14-2, the Academy went undefeated in Virginia scholastic competition, losing only to the Davidson and University of North Carolina Freshmen. There were many impressive victories, however, as the Bulldogs defeated a very strong Woodberry Forest team for the first time and also recorded wins over Granby, Ferguson, Suffolk, and St. Christopher's. Also, there were four victories over college freshman teams: Wake Forest 8-1, ODC 8-1, William and Mary 9-0, and Frederick 9-0.

The 1966 tennis team faces a major rebuilding job as junior Ted Wood is the only returning player in the top six. Mr. Tucker has hopes that Ridge Porter, Rob Henderson, Hartwell Cocke, Hank Garrison, Barbour Rixey, and Dick Hotchkiss will add to the success of the 1966 tennis team.

The Junior Varsity Tennis team, under the supervision of Mr. Harvie, compiled a record of 3-1, the only loss being by one point. The teams only opponents were Granby High School and Suffolk High School. The team routed Granby twice, once on our home courts and once on the City Park courts. Suffolk, on the other hand, was quite a challenge,

not only on our home court, but also on the hot courts at Suffolk, where the home team was victorious 5-4.

The three top men on the ladder were Andy Steingold, Griff Deal, and Rick Eustis; and Mr. Tucker anticipates their help on the Varsity Tennis team this spring.

Ground Breaking

Groundbreaking for the new school took place on February 18, 1965. Class officers, trustees, and several faculty members from both schools were present.

Mr. Charles F. Burroughs, Chairman of the Norfolk Academy — Country Day Building Fund, presided over the groundbreaking.

On Sunday, May 22, 1966, the dream of a coordinated Norfolk Academy will take its next giant step forward toward physical reality, as the cornerstone is ceremonially set in place before a full assembly of both schools, The Norfolk Academy and the Country Day School. By this time, of course, it is contemplated that the buildings of the total school complex will be in the final stages of completion for the September 1966 opening.

NAKED IN XANADU

Twenty years after graduation the illustrious class of 1966 held its first reunion at the ruins of the old Norfolk Academy. Erle Austin, defeated Yeti candidate for cage cleaner at the Norfolk City Zoo, came up with the idea while supping with Bob Nusbaum on the 29-cent Blue Plate Special at John Kitterman's luxurious Beach Gamboling Casino. Late that evening, Bob Nusbaum got in a violent argument with the cash register and had to be evicted by club bouncer, John Metheny, with the aid of Louie Shulman, the washed up, old semi-pro baseball pitcher who is now a part-time dishwasher at the Smashup Drive-In Theatre, owned by Mike Wood and Bob Collector.

The night of the reunion, everyone was pleased at the arrival of Commodore Mark Flaherty, Commandant of the Utah State Coast Guard. Mark brought with him the two old N.A. buddies, Happy White, librarian at Christopher Newport College, and Vink Oober who now models for the Country Day School art class. No-one missed the next arrival, Don "OO Soul" Beskin, who roared up in his genuine James Bond, 389, 4-speed, 2-cylinder, Isetta, accompanied by Scott Meredith, a self-defense instructor at the Y.W.C.A., and Courtney Reed, the fabulously wealthy collector of preying mantis. Next, the two reunited Portsmouth buddies, Alvin Long and Ridge Johnly Porter arrived. Ridge is currently the tennis pro at the Canine Country Club. Alvin, hilariously enough, is a successful toupée manufacturer in Seatac, Virginia.

The joyous reunion was marred for a moment by a tremendous argument between Phil Anderson, the President of the State Censorship Board, and Chip Bowden, now starring as "Friar Tuck" in Ernie B. Hauser's scandal-ridden epic movie "One Against the Spectre." Duane Moats, heralded as a new "Elmer Gantry," joined the argument on Bowden's behalf, and Playboy photographer, Doug Schocken, echoed Phil Anderson's sentiments.

After many a round, we began eating the wonderful meal prepared for us by Charlie Walker, who was smiling for the first time in recent years after just having been promoted to executioner at the city dog pound. After dessert, Robert Lambe, Channel 3's answer to Kurt Webster, regretfully informed us of our more unfortunate classmates what could not make it. Bob Pariser and Stan Phillips were sharing a jail cell in Tiajuana, Mexico, after Bob had been picked up for vagrancy while Stan was locked up for trespassing, when caught changing into his Superman suit in a telephone booth. The alumni here also voted to send flowers to Dixie Walker, who is now in Virginia Beach Hospital because of a three-inch cut on his cheek after trying to break the Gillette endurance record, and Taze Taylor, manager of the city's sanitation department.

After the eats, we retreated to a real delight as a few of the members of the Class of '66 who have become professional entertainers put on a marvelous charity performance for us. John Flora, star of the Grand Old Opry, sang 25 of his most famous ballads. David Paul, currently a night club comedian, had us in stitches, as he retold some of his old favorites which have made him so beloved on the night club circuit of North Dakota. At this point, we heard a terrible scream from near Ridge Porter's table, and after inspection found that Jimmy Nelson, currently an All-Star wrestler, could not endure the mat burns on his back. After he was thrown out, Weldon Bradshaw, head cheerleader of the Neptunes, moved all of us with a beautiful conta-ta of Neptune cheers. The climax of the whole show was when Ira Kurtz, star of Bringling Wrother Carnum and Swaley Circus of Horrors, put on an amazing tight rope performance.

It should be pointed out that no mention of the name of Jeff Edwards was made. Late that night a few of us wandered down to the old basement. Alvin Long bumped into a pile of rubbish which crumbled into a mess of dust and bones before our terrified eyes. It was apparent that Jeff had wandered downstairs the day after graduation and had been asleep for these many years.

Soon we all died.

Part III Theme 100%

Write, to be handed in separately, an original and subtle essay
entitled "Why I Want to be a Yeti". This essay should include the answers
to the following questions; Since there are over thirty applicants for
membership and very few openings, why do you deserve to be a YETI more
than the others? Do you feel that you are sufficiently subtle to be a mem-
ber? Why? What contributions can you make to the club? The essay will be
graded on the basis of originality and subtlety.

RETURN WITHIN ONE WEEK!

Wild guesses will lower your score on the test. All questions must be answered
and must be your own work. You may not show this test to any other human being,
living or dead, and it must be pledged to that effect.

TURN YOUR FRONT LAWN INTO A "GOLF GREEN"!

NEW FROM SMITH-DOUGLASS . . .

Feeds 5,000 sq. ft. for just \$4⁹⁵

New Smith-Douglass GOLF GREEN® TURF FOOD makes a weekend gardener a pro . . . turns a "sand trap" lawn into a "golf green!"

IT'S HOMOGENIZED . . . Just Like Your Milk!
From the laboratory to your lawn comes today's **biggest break-through** in turf food development! A unique scientific process chemically **combines all nutrients** in GOLF GREEN TURF FOOD, then "fuses" these elements into tiny pellets. Each "homogenized" pellet contains the proper amount of all nutrients to give every square inch of your lawn just the right feeding.

More Nitrogen For More Green-Up Power!
GOLF GREEN TURF FOOD contains **10% more nitrogen** than any of the other three leading lawn foods. With nitrogen-rich GOLF GREEN TURF FOOD, your lawn greens up fast . . . and stays that way.

**GROW LIKE A PRO! ASK FOR EACH OF THE NEW GOLF GREEN
TURF FOODS AT YOUR GARDEN STORE!**
